Getting Started

Access FurBot

Visit the deployed application here:

<https://furbot-production.up.railway.app>

Sign Up / Login

New User Registration:

1. Click **"Signup"** to create an account.
2. Enter a **valid email address** — this is required to receive pet care reminders.
3. Enter a **secure password**.
4. Click **"Signup"** to complete the registration.
5. You will be automatically redirected to the **Login** page.

A screenshot of a web browser showing the 'Create Your Account' page for FurBot. The browser's address bar displays 'https://furbot-production.up.railway.app/signup'. The page has a dark background with a white central form. The form contains the title 'Create Your Account', an email input field with 'cm44228@gmail.com', a password input field with masked characters, a green 'Sign Up' button, and a 'Login here' link.

Returning users: Log in with your credentials:

1. Enter an **email address**.
2. Enter a **secure password**.
3. Click "**Login**" to complete the registration.
4. You will be automatically redirected to the **Dashboard** page.

A screenshot of a web browser showing the login page for FurBot. The browser's address bar displays 'https://furbot-production.up.railway.app/login'. The page has a dark background with a white central form. The form features the FurBot logo (a stylized fox head) and the text 'Welcome Back to FurBot'. It includes an email input field with 'chariz1202@yahoo.com', a password input field with masked characters, and a green 'Login' button.

Managing Your Pet Profile

Add a Pet

1. Navigate to the **Dashboard**.
2. Under "**My Pet List**", fill in your pet's details:
 - **Pet Name**
 - **Species** (e.g., Dog, Cat)
 - **Birthdate**
 - **Color**
 - **Breed**
3. Click "**Add Pet**".
4. Your pet will be **automatically added** to the list.
5. An appropriate **icon** (🐶 or 🐱) will be assigned based on the selected species.

Delete a Pet

1. Click the “Delete” button from the pet’s card to remove the pet from the profile.

Viewing Pet Profile and Setting a Reminders for a Pet

Adding a Reminder

To view your pet's full profile and manage reminders:

1. On the **Dashboard**, under your pet's card, click **"View Profile"**.

2. You will be taken to the **Pet Profile** page, where you can view:

- **Pet Name**
- **Species**
- **Breed**
- **Color**
- **Birthdate**
- **Age**

3. To **add a reminder** for this pet:
 - Select the **date** of the reminder.
 - Enter the **reminder type** (e.g., Vet Visit, Vaccine).
 - Optionally, enter any **notes**.
 - Click **“Add Reminder”** to save.

The screenshot shows the 'Pet Profile' page for a dog named Max. The profile card displays the following information: Species: Dog, Breed: Golden Retriever, Color: Brown, Birthdate: 2020-02-07, and Age: 5. Below the profile card is a red 'Delete Pet' button. To the left, the '+ Add Reminder' section contains a form with three fields: a date field with '13-Apr-2025', a type field with 'Grooming', and a notes field with 'Send Max to grooming'. A green 'Add Reminder' button is at the bottom of the form. To the right, the 'Reminders' section shows 'No reminders found for this pet.' A blue 'Back to Dashboard' button is at the bottom of the page.

4. The reminder will appear in the **Reminders** section on the right.

The screenshot shows the 'Pet Profile' page for a dog named Max. The profile card displays the following information: Species: Dog, Breed: Golden Retriever, Color: Brown, Birthdate: 2020-02-07, and Age: 5. Below the profile card is a red 'Delete Pet' button. To the left, the '+ Add Reminder' section contains a form with three fields: a date field with 'dd-yyy', a type field with 'Reminder Type (e.g. Vet Visit, Vaccine)', and a notes field with 'Notes (optional)'. A green 'Add Reminder' button is at the bottom of the form. To the right, the 'Reminders' section shows a new reminder card with the following information: Type: Grooming, Date: 2025-04-13, and Notes: Send Max to grooming. A red 'Delete' button is at the bottom of the reminder card. A blue 'Back to Dashboard' button is at the bottom of the page.

Delete a Reminder

1. Click “**Delete**” next to a reminder to remove it.

The screenshot shows the Furbot Reminders interface. On the left is the 'Add Reminder' form with fields for a date (dd----yyyy), a reminder type (e.g., Vet Visit, Vaccine), and optional notes. A green 'Add Reminder' button is at the bottom. On the right is the 'Reminders' section, which displays a list of reminders. A reminder card is shown with the following details: Type: Grooming, Date: 2025-04-12, and Notes: Max is due for grooming. A red 'Delete' button is located on the card, and a red arrow points to it.

Email Notification

1. Email notification are sent automatically for upcoming reminders.

Using the Chatbot

FurBot's chatbot can help you find services and answer pet-related questions.

Example commands:

1. “find groomers near Burnaby”
2. “pet friendly hotel in Vancouver”
3. “travelling to Canada with pet”

Adding result to favorites and viewing

1. From the **chatbot results**, locate the business or service you'd like to save.
2. Click **"Add to Favorite"** next to the desired result.
3. The item will be **automatically added** to your personal favorites list.
4. To view saved favorites, go to the **Dashboard** and scroll to the **Favorites** section.
